

2011 Idaho Math Cup Official Rules and Regulations

Dates: Starts 12:01 am on 11/01/2011, Ends 11:59pm on 11/30/2011 (all times local)

Participants:

Eligibility- Any Idaho school/student currently participating in the Apangea Math program will automatically be entered into the contest.

Class competition: Minimum of 15 students (based on current class enrollment), maximum of 50 per class. Schools may combine classes if needed in order to meet minimum student requirement. School must notify Apangea of class combination request.

- Teachers may not select individual students from multiple classes in order to create a class for the purpose of competing in the contest.

A class may be disqualified if it is determined that this has occurred.

Individual: Students may compete for individual prizes even if class is not competing in class level competition.

Class Level Awards:

Regional Champion: One class from each of the 6 educational regions will be selected as the regional champion based on highest average of points earned per **enrolled** student.

- The winning class will receive:
 - Pizza Party Pack
 - Regional Champion Banner

Idaho Math Cup State Champion: The regional champion with the highest average of points per enrolled student will be named the “Idaho Math Cup State Champion”.

- In lieu of the regional prize, the Idaho Math Cup Champion will receive the following:
 - Hosts/Attends State Champion Award Event including Pizza Lunch*
 - State Champion T-shirts
 - State Champion Banner
 - Certificates
 - Will get to keep the Idaho Math Cup at their school until next year's Idaho Math Cup begins
- *The State Champion will be asked to attend/host an awards event to be held, preferably, before December 20th.

Individual Student Awards

All students who meet the following minimum point requirements during the course of the contest will be entered into a random drawing for individual prizes.

- Minimum of 10,000 points: 10 students will be selected to win a \$40 Movie Pass
- Minimum of 15,000 points: 5 students will be selected to win an \$80 Amazon Gift Card
- Minimum of 25,000 points: 1 student will be selected to win choice of Xbox w/Kinect or Amazon gift card of equal value.
 - Students will only be allowed to win a maximum of one individual prize.
 - Earning more than the minimum point requirements does not enhance a students' chances of winning any given prize.
 - Only points earned during the contest will count toward minimum point requirements.

Grounds for Contest Disqualification

Students and/or Teachers found to be engaging in any sort of activity designed to circumvent the normal process of using Apangea Math may be disqualified from the contest. This includes, but is not limited to:

- Continually re-enrolling in coursework far below students ability level

- Cheating or “gaming” the program in an attempt to earn more points than is possible by the normal process of using Apangea Math
- Moving individual or groups of students from multiple classes into a newly formed class solely for the purpose of competing in the contest

Educational Regions for Regional Class Champions are based on the six educational regions as defined by the Idaho State Department of Education.
